

LEVEL 50 WATER SPORTS

This foam lifejacket is suitable for small boat sailing and paddling. The foam buoyancy is set high, clear of the waist, to facilitate activities where comfortable sitting is particularly important (eg. small boat sailing).

SUITABILITY

ACTIVITIES: Sailing, paddling

LOCATION: Enclosed water like estuaries, rivers, lakes and dams and for paddling, small craft sailing and PWC on open waters within sight of land. Do not use for general boating when on open (ocean) waters.

SIZE: Adults, child 6-12, child under 6 (please ensure that buoyancy suits the child's body weight).

BUOYANCY LEVEL: 50 Foam

VISIBILITY: High

CARE: Easy care
